UTTERMOST RUGS!

We love our rugs and hope you will also. Our exclusive rug designs are the result of countless hours in design and development, as well as months of edits and reviews.

These rugs are all crafted individually, by hand in India. The designs range from hand knotted rugs in soft, worn patinas, to rich wool/viscose hand tufted rugs, to flat weaves in bright colors. We offer Uttermost rug pads to go with any Uttermost rugs.

As with all of our products, please feel comfortable in your selection of any Uttermost product. While design is important, it means nothing without quality manufacturing. You can be certain that on Uttermost products, no shortcuts are taken in manufacturing to make sure our products exceed expectations. Your satisfaction is guaranteed on all Uttermost products.
